HIBA NAEEM

Graphic Design | UI/UX Design

Summary

I'm a Graphic Designer and UI/UX Designer with a passion for creating clean, modern, and engaging designs. I have experience in branding, social media, user interface design, and basic video editing. I enjoy turning ideas into creative visuals and continuously improving my skills to design experiences people love.

Experience

Graphic Design & UI/UX Intern
AKYAS
2025

- Created social media posts, carousel posts, video edits, and other creative marketing designs.
- Designed UI/UX projects, wireframes, and user-friendly interfaces using Figma and Adobe Creative Suite.

Teacher Assistant
SMIT
2026

- Graphic Design aur UI/UX ki classes lein, students ko design ke basic concepts aur tools samjhaye.
- Students ko practical projects par guide kiya, unhein feedback diya aur unki design skills ko behtar banane mein madad ki.
