# TAHIR ALI

## FRONTEND DEVELOPER / SOFTWARE ENGINEER

ta7437892@gmail.com
+92 317 3916773
Hyderabad, Sindh, Pakistan

## SUMMARY

Motivated Frontend Developer with practical experience building responsive, high-performance web applications using React.js, Next.js, and Tailwind CSS. Proven ability to deliver production-ready client projects, integrate dynamic APIs (including lightweight database solutions like Google Sheets API), and manage code efficiently via Git/GitHub. Passionate about engineering clean, minimalist codebases while actively contributing to local technical communities.

## WORK EXPERIENCE

### Frontend Developer (Freelance)
**Jan 2026 – Mar 2026**

***SMCC Education — Hyderabad, Pakistan***

- Architected a fully functional, responsive educational web platform leveraging React.js and Tailwind CSS.
- Integrated Google Sheets API as a lightweight, dynamic database layer to securely fetch and manage real-time application data.
- Optimized components and layouts for maximum cross-browser compatibility and device responsiveness.

### Independent Developer
**Mar 2026 – Apr 2026**

***Self-Employed (Tech Challenges) — Hyderabad, Pakistan***

- Designed and coded complete frontend web solutions completely from scratch under strict 48-hour development challenges.
- Acquired hands-on expertise writing clean, semantic, and well-documented code adhering to industry-standard design patterns.
- Established and engaged a professional tech community of over 5,000+ followers on LinkedIn by sharing technical updates.

## EDUCATION

### Intermediate in Computer Science
**2024 – 2026**

***Government IT College — Hyderabad, Pakistan***

- Focused on core computer science concepts, object-oriented programming fundamentals, and mathematics.

### Matriculation in Science (Biology)
**2022 – 2024**

***Govt Iqra Higher Secondary School — Hyderabad***

- Completed secondary school education with a strong foundation in science subjects, biology, and mathematics.
