SUMMARY

Media Production & Video Editor — TIRC (Taj Islamic Research Center)
1 year 4 months

Worked as a Media Production & Video Editor, responsible for recording and producing Lectures, Seminars, and other Events. I handled the complete production process, including directing, filming, editing, and preparing footage for publication on YouTube. Managed and edited a large amount of recorded footage using **Adobe Premiere Pro**, while also creating graphics and visual content using **Adobe Photoshop** and **CorelDRAW**.

Customer Sales Representative – Solar Campaign | TouchStone Communications, Islamabad
6 months

I Dedicatedly worked as a Customer Sales Representative at TouchStone Communications , where I,ve spent first 6 months of year 2025 helping homeownerst explore smarter energy choices through **solar#**.
My day-to-day involved handling both **inbound** and **outboound** calls, generating leads, and making live transfer —all with a focus on building trust and delivering value to every potential customer.
