TAZEEN ALTAF

Hyderabad, Sindh, Pakistan | 0334 2661700 | teememon12@gmail.com

CAREER OBJECTIVE

Motivated beginner front-end web development learner with practical experience creating web pages and small projects using HTML, CSS, JavaScript, and Bootstrap. Eager to improve technical skills, learn new tools, and contribute to a professional development team.

EDUCATION

Intermediate — Hayat College | Grade A | 78%

Matriculation — Piggott School | Grade A | 75%

TECHNICAL SKILLS

Front-End: HTML, CSS, JavaScript, Bootstrap

Tools & Platforms: Git, GitHub, LinkedIn

PROJECTS

1. Car Crash Animation | Technologies: HTML, CSS
Created a road scene with two cars approaching from opposite directions, colliding in the middle, and falling onto the road using CSS animation.

2. Billing Website | Technologies: HTML, CSS
Designed a billing website interface with a structured layout and styled sections for presenting billing information.

3. Responsive Bootstrap Website | Technologies: HTML, CSS, Bootstrap
Built a responsive webpage using Bootstrap layout components and styling to support different screen sizes.

4. Image Gallery | Technologies: HTML, CSS
Created an image gallery layout to display multiple images in an organized and visually clear format.

5. Birthday Wishes Animation | Technologies: HTML, CSS, JavaScript
Developed an animated birthday wishes page with visual effects and interactive elements.
